

Legislative Services Agency Fiscal Services Division Appropriation Subcommittee Documents On the General Assembly Web Site

January 22, 2009

During the 2009 Session, as in previous years, the Fiscal Services Division will be posting subcommittee agendas, minutes, meeting handouts, and other budget-related information on the Internet for the benefit of legislators, staff, and the general public.

To access documents for the Justice System Appropriations Subcommittee, go to the General Assembly home page at <http://www.legis.state.ia.us/> and click on **Committees** (left side of the screen).

At the *Committees* menu, scroll down to *Joint Appropriation Committees* and click on **Justice System Appropriations Subcommittee**.

On the Justice System Appropriations Subcommittee web page, you will find links to members' individual pages, as well as a link to a page of members' photos. The ***Additional Information*** link will take you to the Fiscal Services Division's documents.

On the ***Additional Information*** page, you will find the Subcommittee's agendas, minutes, materials distributed (including meeting handouts), and budget documents prepared by the Fiscal Services Division. Documents within each category will be sorted by date. Multiple documents for the same date will be sorted alphabetically.

At the top of the page is a link to a listing of related web sites, as well as email links for staff and access to subcommittee documents from previous years.

As you visit and use this web page, please share your suggestions for how we can improve it to better serve your needs. Beth Lenstra and Jennifer Acton will be maintaining the page and will welcome your ideas for information and related links you would like to see there.
